

Hello Schilling

Third Floor!!

My name is Andrei Pettis and I will be your Resident Assistant for the 23-24 school year! I am a sophomore, majoring in Psychology. This is my first year as an RA but I will still be able to answer any questions you may have.

I am on the track and field team at Hamline so if you have any questions about the sporting facilities or teams I can show you around and answer any questions you have about it. I love playing video games and talking about all kinds of things, so don't be afraid to talk!

My advice for when you get on campus is to be open to trying new things and joining clubs. Doing that will be an easy way to make new friends. There's lots of events at the start of the year so try to start early!

| What <u>TO</u> Bring | What <u>NOT</u> To Bring |
|---|--|
| <ul style="list-style-type: none">● A Fan● Shower caddy and Shower shoes● Command Hooks● Step Stool● Power Strip (With on/off switch)● A Mattress Pad (size Twin XL) | <ul style="list-style-type: none">● Candles/Incense● Microwave/Mini-Fridge● A/C unit● NON-LED Light Strands● Weapons● Toaster |

Don't forget to connect with your roommate and talk about big stuff like a TV and mirrors so you can save money and not bring duplicates if you don't want to. If you have any lingering questions before getting on campus feel free to contact me -apettis02@hamline.edu :)
