

WELCOME TO DREW HALL SECOND FLOOR!

Hey all! This is Matthew Maroney, your RA for the 2023-2024 year. I can't wait to meet all of you and to build our dorm community. This is my first year as an RA; I am a sophomore majoring in Economics. I'm from Nashville, Tennessee, so if any of y'all are new to the Twin Cities or Midway I can relate and have some insight. I love going for long walks, especially around Hamline and along the Mississippi River. You can catch me around campus getting snacks at Leo's or hanging out in the Blue Garden. If you have any questions, feel free to text or email me anytime.

Try to get in contact with and get to know your roommate before moving in! I've been lucky enough to have a great relationship with my roommate this year and it's been amazing to have a stable and strong relationship with someone you will spend a ton of time with. It's also good to get a feel for your roommates' habits and sleep schedules before move-in so you know how your patterns will interact. Not only that, it's good to get in contact so you know what you're both bringing to the dorm. Lugging two heavy TVs up flights of stairs just to have room for only one would be quite annoying. Plus, by getting in contact, you can split up a list so each of you only has to cover half the dorm supplies.

Once again, I can't wait to get to know all of you this fall!
