AGENDA
November 8th, 2006

Capitol Region Watershed District
1410 Energy Park Drive, Suite 4
St. Paul MN 55108
PHONE: 651-644-8888

Map & Directions can be found at http://www.ramseyconservation.org/crwd/capitol.html

9:00 **Intros; Partner activities, announcements, & updates**
Partner updates and announcements are limited to 2 minutes.

9:30 **Steering Committee Announcements**

10:15 **Overview of the Mississippi Rvier-Lake Pepin Total Maximum Daily Load –** ***Norman Senjem, MPCA Mississippi River Basin Coordinator***

Norman Senjem will present information about the Mississippi River-Lake Pepin total

maximum daily load project, which will establish pollutant load allocationas for point and nonpoint sources to bring the Mississippi River and Lake Pepin in conformance with water quality standards for turbidity (river standard) and eutrophication-nutrient enrichment (lake standard).The project will have implications for NPDES permits, wastewater, and stormwater toward the end of this decade. The presentation will include an overview of water quality data relative to these impairments in the Metro and Lake Pepin areas.

Norman manages this Mississippi River-Lake Pepin Project for the Minnesota Pollution Control Agency.

NOTES:

- **Next Steering Committee Meeting: November 13th, 2-4p.m**, at the Center for Global Environmental Education (CGEE), Hamline University**.** The Steering Committee meets each month to determine agendas and help steer programs. Meetings are open to all WaterShed Partners.
- **Next WaterShed Partners meeting: Wednesday, December 13th, 9 a.m.,** at the Capitol Region Watershed District, in St. Paul. Let a Steering Committee Member know if you have an agenda item for the meeting. Meetings of the WaterShed Partners are regularly the 2nd Wednesday of each month, 9-11 a.m.

FFI: Contact a member of the steering committee or Kate Knuth at 651-523-2812
