

Hello Apartment Residents,

We wanted to give you an opportunity to meet the Apartment staff for next year, as well as, have them share a tip with you regarding living in the Hamline Apartments. You will also find a suggested list of what to bring and what not to bring with you while living in the Hamline Apartments. Please remember to contact your future roommate and discuss what you will be bringing.

Christopher Bates, Apartment Manager,

My name is Christopher Bates and this is my second year as the Hamline Apartment manager. I just finished law school at Hamline and also graduated from Hamline's undergraduate program. When not working as the Apartment Manager, I will be anxiously awaiting my bar results and searching for my first job as an attorney. My biggest piece of advice for incoming apartment residents is to use the Apartment Coordinators and myself as a resource; our job is to ensure you have the most enjoyable living experience possible while staying here!

Jaclyn Johnson, Apartment Coordinator

My name is Jaclyn Johnson and I am a senior at Hamline this year. I am from White Bear Lake, MN and am double major in history and sociology and double minor in religion and women's studies. I have lived in England, I love to bake and I am obsessed with tea. I will be running the desk on the first floor in the lobby.

Margot Howard, Apartment Coordinator

My name is Margot Howard. I recently graduated from Hamline's undergraduate program and am now starting my first year in the graduate school of education. I am pursuing my teaching license and masters in ESL. In August I will be starting in the Americorps Reading Corps as a literacy tutor at a local elementary school. I will be living on the second floor of the apartments and along with many duties will be in charge of submitting work orders for the building. I have a great passion for social justice and love good discussions surrounding the topic. I have lived in the Hamline Apartments for a year now and I would recommend hitting up all of the local garage sales this summer, you can find most of what you will need, get a great deal, and feel good about recycling!

Looking forward to meeting you all!

Margot

Gina Sabbia, Apartment Coordinator

Hi, my name is Gina Sabbia and I am the third floor RA. I will be starting my third (and final!) year as a law student at Hamline. I am originally from Champaign-Urbana, Illinois and did my undergraduate studies at the University of Wisconsin-Madison. I enjoy working out, playing team sports and meeting new people. You will be receiving monthly newsletters from me about all the activities and other things you need to know going on in the apartments. Feel free to

contact me if you have any questions, whether it be about law school or anything at all. I look forward to meeting you all in August. P.S. After you move in, don't forget to always carry your student ID with you or you will get locked out of the building!

What to Bring:	What not to bring:
Television (with co-axle cable)	Pets (you may have fish)
Dishes/Pans	Flammable or Explosive materials
