*This is a summary of benefits only and does not guarantee coverage. For a complete list of covered services and limitations/exclusions, please refer to the Dental Benefit Plan Summary.

**Dentists who have signed an in-network network agreement with Delta Dental have agreed to accept the maximum allowable amount as payment in full. Out-of-Network dentists have not signed an agreement and are not obligated to limit the amount they charge; the member is responsible for paying any difference to the out-of-network dentists.

Welcome to Delta Dental

Welcome to Delta Dental of Minnesota. We've designed your dental plan so it is easy to use and gives you and your family maximum flexibility, network savings, an unparalleled commitment to service and peace of mind. Together with your employer, our goal is to help you maintain healthy, happy smiles all year round.

Prevention is the key to good long-term oral health

Our plans are designed to encourage you to visit the dentist and help ensure your basic dental needs are met in a timely, cost-effective manner.

Access to regular checkups and sound preventive care are key to long-term oral health. In addition to visiting your dentist for regular preventive care, talk to your dentist about your specific oral health needs. Your dental plan is intended only to help you pay for care—your dentist is the one who will help you determine your actual care needs.

Helpful Online Tools

As part of our commitment to your long-term oral health, we provide members free access to valuable oral health information and dental benefit tools through our Web site, www.deltadentalmn.org.

Frequently Asked Questions

May I go to any dentist?

You have the freedom to see any dentist. However, dentists who participate in our Delta Dental PPO or Delta Dental Premier networks have agreed not to charge more than our maximum allowable amount. This can result in lower out-of-pocket costs. Choosing a dentist in the Delta Dental PPO network may save you even more money. As an added convenience, you never have to file a claim when you use an in-network dentist—the dentist files the claim for you.

Through a unique contractual agreement, Delta Dental maintains a network of in-network dentists that includes about 85 percent of the licensed, practicing dentists in Minnesota. In Minnesota, Delta Dental PPO has about 1,744 in-network dentists, while Delta Dental Premier has about 3,000 in-network dentists. Nationally, Delta Dental PPO has about 83,900 in-network dentists. Delta Dental Premier is the largest dental network in the country with about 142,000 in-network dentists.

How do I find an in-network dentist?

Finding an in-network dentist is easy. Simply visit www.deltadentalmn.org and use our interactive Dentist Search tool or call Customer Service locally at 651-406-5916 or toll free at 1-800-553-9536.

What happens if I visit an out-of-network dentist?

If dental services are received from an out-of-network dentist, you will be responsible for paying the difference between our maximum allowable amount and what the dentist charges. You may be responsible for submitting your own claim. The address to submit claims is on the back of your Delta Dental ID card. In addition, reimbursement for covered services will be paid directly to you.

What if I have a dental emergency outside the United States?

Delta Dental automatically includes international emergency coverage in many countries throughout Europe, Africa, South America and Asia. English-speaking customer service representatives are available to help members find a dentist. For more information, visit www.deltadentalmn.org.

How do I find out if my claim was paid?

Our online claims inquiry tool provides claims detail. Our Web site offers other interactive features including eligibility and benefits inquiry, oral health resources and much more. You may also call Customer Service to get claims status and payment information.

How is work in progress handled?

For services started prior to your effective date under the Delta Dental plan, payment of the claim is based on the service completion date.

How do I know how much I'll be responsible for?

For major dental procedures, the dentist can submit a pre-treatment estimate to Delta Dental of Minnesota for determination of benefits and financial responsibility prior to the service.

What if I misplace my ID Card?

If a replacement ID Card is needed, you may request an ID Card by contacting Customer Service locally at 651-406-5916 or toll free at 1-800-553-9536. You may also request an ID Card on our Web site once you have created a subscriber/member account.
