

# Become a "Master" of Education

Earn your MAEd through Hamline University.

- Continue your professional learning with colleagues on-campus or in off-campus learning communities.
- Courses focus on community building, constructivist learning, structured inquiry and reflection, and equity.
- Blended courses offer a combination of on-line and classroom work.
- Learning Community core courses generally meet one Saturday and evening monthly during the school year.
- Coursework and Capstone are practitioner based.
- Elective courses can include one of many certificates: Autism, ESL, Environmental Ed, Gifted Ed, Literacy, Technology, Urban Teaching and more.

For application materials contact:  
Graduate Admission at 651-523-2900 or
