- You are eligible to apply for a Graduate PLUS Loan. Depending on need, you may borrow up to Hamline's "cost of attendance" minus any other financial aid that is awarded to you. The Hamline University Student Financial Aid Award Notice indicates the amount that you may consider borrowing for your education during the coming school year. Graduate PLUS Loans are available to "creditworthy" graduate students who are enrolled at least half-time.
- The Graduate PLUS Loan is flexible and allows you to decide on how much you may need to borrow. Repayment of the Graduate PLUS Loan begins within 60 days after the final disbursement of the loan proceeds. (However, some lenders will allow you to apply for deferment while you are in school.) The Graduate PLUS Loan will have a fixed interest rate of 8.50%.
- Graduate PLUS Loan borrowers may have up to 10 years to repay their Graduate PLUS Loan(s). The minimum monthly payment on a PLUS Loan is \$50 per month. With recent passing of legislation, interest paid on Graduate PLUS Loans may be tax-deductible. Consult your tax advisor for details.
- For your convenience, we have made arrangements with our preferred lenders to disburse loan funds through Electronic Funds Transfer (EFT). This purpose will allow loan funds to be applied directly to your student account at Hamline. Preferred lenders are "open door" lenders, meaning that you do not have to have an account at their institution to apply for a Graduate PLUS Loan.
- Although Hamline University has a preferred lender list, you are welcome to borrow from any Federal PLUS Lender you choose, even if that lender is not on the list above.
