

Hamline User Account (Novell) Password Reset

You need to login using your Hamline username and password to use resources on campus, like computers in a computer lab or classroom, to access the local area network, or to access the wireless network.

Use this ID and password to log in to online learning tools - Blackboard and Moodle.

Look up & Reset your Hamline User Account (Novell) in Pipeline

1. Log into Pipeline. You can get to the Logins area by the "Logins" button

HAMLINE UNIVERSITY

Hamline User Account (Novell)

The Hamline User Account is your Universal account, which provides access to many resources such as lab computers, Groupwise, proxy server for library databases, Dorm Network access, wireless access, etc. This ID and password is also used for Blackboard and Moodle course access.

To access computer files stored on shared servers (such as I: and S: drives), you must login to the Hamline Network.

Press the Ctrl+Alt+Delete key combination to display the network login screen.

Note: When you change your password on any one of these systems, all of these systems will use your new password.

Username:	username	Creation Date:	September 01, 2011
Initial Password:	PASSWORD		

*The Displayed Password is the password used when the account was established. Any password changes that have taken place will not be reflected.

[Change Password for username](#)

- To reset your Hamline User Account (Novell) click on the "Change Password" button.
