Policies and Procedures

Purpose:

- The emergency loan program is designed to assist students who find themselves faced with unexpected financial emergencies that affect their ability to function as a student.
- The emergency loan program is carried out as a partnership between the Student Accounts Office and the deans of the various schools.

Eligibility:

Emergency loans are available to Hamline University students who meet the following criteria:

- enrolled in a licensure or degree seeking program.
- registered for the current term and the term in which the loan is due, if applicable.
- demonstrated need for an emergency loan.
- no past due balance on the student account.
- no outstanding payments due on their installment plan. (Emergency loans will not be granted for students to make payments toward their installment plan.)
- no other outstanding emergency loan greater than \$500.

Guidelines:

- Maximum loan amount is \$500.
- Cumulative loan amount per academic year (June 1 through May 31) is \$1,000.
- No emergency loans will be issued to pay Hamline University sponsored program deposits.
- Employees of Hamline University are not eligible to apply for an emergency loan.
- No emergency loans will be issued more than ten days before the start of the term.

Loan Procedure:

- Applications are obtained from the dean's office of the student's school.
- The student must obtain the appropriate signature from the dean's office and bring the completed application to the Student Administrative Services Office for final approval.
- A representative from the Student Accounts Office will notify the student within twenty-four hours if the application has been approved or denied.
- Upon approval, the funds will be available at the Cashier's window. Students will be required to show a picture ID to receive the cash loan funds.

Repayment:

- The loan will be charged directly to the student's account.
- The loan must be repaid within sixty days, three weeks prior to the student's graduation date, or by the end of the academic year (May 31), whichever comes first.
- Financial Aid credited to a student's account will first repay all tuition and fees and then repay an outstanding emergency loan, even if the loan is not yet due.
- Interest will accrue at the rate of .66 percent per month (8 percent APR) on any past due loan.
- If the loan is not repaid by the due date, the student will be on hold for registration, grades, transcripts, clearance for the bar, and diplomas.
- If necessary, Hamline University will institute all necessary collection procedures to collect on a past due loan and the student will be responsible and charged for all collection costs, including attorney's fees.
- Payments for emergency loans must be identified as such to ensure proper credit to the account.
- If a student leaves Hamline University and has an emergency loan that is not yet due, the loan will be accelerated and due immediately.
