

# Hamline University & Turning Technologies Present the ACTC Learning Forum

**HAMLINE**  
UNIVERSITY

## We're making it even easier

to learn best practices for our most popular products.

**We're bringing the training and pedagogical experts to YOU!**

We will be offering sessions that demonstrate innovative usage with our response technology during speaker presentations and training sessions. Increase your knowledge of our solutions and network with peers to see how others successfully implement response technology.

**Reserve Your Spot Today!**

Availability is limited. RSVP early to reserve seating.
