- Study abroad update: Jackie reported to the committee about recruitment efforts and updated statistics about the current, fall 2015, and spring 2016 study abroad programs. Some of the short-term proposals are from the Provost Office and does not come to this committee. For the rest of the proposal please note that we cannot afford to approve all of the proposals. The proposals will be sent to the committee before the November meeting. The deadline for the decision is November 30th. It was suggested that the campus colleague of any study abroad program is a serious matter and should be recruited carefully.
