

## First-year

# New student checklist

---

### Before attending SOAR:

- ☐ Thoroughly review the registration materials provided with this checklist.
  - ☐ Register for a Summer Orientation and Registration (SOAR) session at **hamline.edu/SOAR**.
  - ☐ Log into the Canvas pre-orientation course and complete the Preparing for Registration module at **canvas.hamline.edu** to prepare for your SOAR experience.
  - ☐ Fill out the First-Year Student Registration Worksheet.
    - ☐ List your four or five preferred First-Year Seminar sections
    - ☐ Indicate whether you plan to take FYW 1110 or FYW 1120 this fall
    - ☐ Identify four or five options for major or elective courses
  - ☐ Log into Hamline Workday Student and create your saved schedule for fall.

Note: You will finalize your registration when you attend SOAR. Creating a saved schedule does not guarantee you a seat in the courses selected; you must also register that saved schedule at SOAR.
  - ☐ Right before attending SOAR, log into Hamline Workday Student to check space availability in the courses you chose and make any desired changes to your saved schedule.
  - ☐ Take the Language Placement Diagnostic at **hamline.edu/languageplacement** if you plan to enroll in Chinese or Spanish classes.
  - ☐ If you want to receive credit for AP, IB, CLEP, PSEO, or CIS coursework, submit official transcripts to your admission counselor for evaluation.
  - ☐ Athletes, contact your coach about practice/game schedules so that you can avoid conflicts with classes.
