

Welcome to Manor 3rd Floor!

About Me

My name is Kat Mason and I will be your RA on Manor 3rd Floor! I'm a junior this year and my major is Public Health with a Public Policy concentration. On campus, I work at Conference and Event Management (so I always know about the best events to go to) and I go rock climbing with the HU Climbing Club sometimes. I love flower pressing, reading, and going to concerts (my favorites have been Japanese Breakfast and Weyes Blood).

This is my first year as an RA and I am so excited to meet you all! My advice for all of you is to get involved. Going to events, joining a student organization, or even getting a work study are great ways to meet new people and make the most of your time here.

What to Bring

- A fan! It gets hot in the dorms during the warmer months
- A hamper/laundry bag that you can carry up 3 flights of stairs
- A mattress topper
- Flip flops/shower shoes for the communal showers
- General cleaning supplies
- Posters and decorations (make sure to use tape and hooks that won't damage the walls!)

What Not to Bring

- Twinkle lights that are not LED
- No need to bring a microwave or a mini-refrigerator since they are provided in each of the dorms
- Anything that produces heat such as toasters, hot plates, candles, incense, etc.
- The obvious stuff; alcohol, drugs, illegal substances, weapons, etc.
- An air conditioner (they are not allowed)

Communicate! Make sure you contact your roommate before it's time to move-in. It's a good way to break the ice and work out who is bringing what. Please don't hesitate to contact me if you have any questions (no matter how small) at my email kmason06@hamline.edu. I am here to support you!
