

Hey! I'm your R.A., S.J. on Sorin 3rd Floor

Welcome to Hamline University, home of the Pipers.

Some Things About Me:

- I am a sophomore, majoring in English studies 
- I broke my bookcase my first year. I fell on it when I was trying to close my window... >:{ 
- I love Sriracha. My Hamline I.D picture is of me holding a Sriracha bottle, and I even have a Sriracha keychain that I carry around 
- My favorite food is Sushi 

Some Advice:

- Get involved on campus! (join some organizations, explore the campus, and build connections!)
- Start conversations with people you don't know (this is how I made most of my friends>:)
- Get a planner, or find some way to stay organized (YOU WILL NEED IT, I PROMISE YOU)
- Set time aside every day to focus on yourself (this is really important!)
- Find the ideal Study Space (I like to go to a place that I know I won't sleep...so not my dorm:)
- Know your resources! (talk to counselors, professors, CASA, and people on campus when you are having a hard time—and even when you're not!)
