

... Welcome to Schilling 2nd Floor! ...

Hello and welcome to (or back) to Hamline! I can't wait to meet you all and create so many fun memories with you all :) I'm from Gilbert, AZ (so a long way from home lol) and I'm majoring in Criminal Justice and Forensic Science! I'm also the President of Spectrum! So if you ever have any questions my ears are always open :)

This will be my first year as an RA, but I'm really looking forward to this school year! If this is your first year, I know this will seem difficult, however trust me you'll fall in love with it in no time! Besides, you can always visit your family on the weekends or call them up if you ever get home sick (like I do a lot :)) If anything ever feels too difficult don't forget to reach out to your advisor or any resources on campus for almost anything! To anyone trying to readjust to living on campus, I highly recommend going to events to get to know other people with similar interests and/or just to have fun! :) But i'm always here if you need someone to talk to or just to hang with :p

On the next page will be a list of items i recommend bringing, as well as items you SHOULDN'T bring :)

If you have any intentions of bringing a pet, they must be an approved Emotional Support Animal first...fish are fine though :)

| DO BRING | DO NOT BRING |
|--|--|
| Fans! Trust me, it will be HOT the first few weeks | Lights that are NOT LED, everything must be LED. |
| Step stool or ladder (if you plan on lofting your bed) | You cannot bring a mini fridge or microwave, one is already provided to you :] |
| Powerstrips WITH an on/off with AND that is surge protected | ANYTHING that produces heat, such as: toaster, hot plates, CANDLES , incense, etc. |
| Twin XL Sheets as well as lots of blankets for the winter (brrr!) | Drugs, alcohol, weapons, illegal substances (duh) |
| Mattress pad | Air conditioning |
| Hamper/Laundry bag...something relatively easy to carry around | |
| Entertainment: Television, gaming console, etc. | |
| 3M strips/hooks for decorating...something that won't damage the walls please! | |
| General cleaning supplies: dish soap, laundry detergent, febreze etc. | |

MAKE SURE TO CONTACT YOUR ROOMMATE! Just so you know what you are each bringing...so you don't accidentally bring 2 tvs lol! Also to just get to know each other better and get to know each others schedules :]

If you have a work study, or plan to work on campus, be sure to bring your immunization history/insurance card, (for paperwork purposes). Plus a blank check for Direct Deposit or know your bank account information (if you want to get paid ;p).

I look forward to meeting you all very soon!

If you have any questions, feel free to reach out to me!
