

★ Hi! Welcome to Osborn 3rd Floor ★

My name is Cal Athmann (they/them) and I am your RA for the Spring of 2024! I am really looking forward to meeting all of you and having a fun semester.

I am majoring in Biochemistry, I work for the school newspaper, the Oracle, and I love attending every campus event that I possibly can. Some of my hobbies include drawing, crocheting, painting, reading, writing, and exploring nature. I also have fun watching movies and TV shows as well as listening to many genres of music (and I would LOVE to hear what movies, TV shows, and music you like!) I find animals to be very adorable so if you have pets you are **required** to show me pictures!! (not really but I would love to see them).

This is my first semester as an RA and I am very passionate about making your experience on this floor the best it can be!

Here is a quick (and hopefully helpful) list of things that you should and should not bring to your dorm:

Bring	Do NOT bring
<ul style="list-style-type: none">★ A garbage can (recycling can is provided)★ Fan(s) (the summer heat can be a lot)★ Shower shoes/toiletries (towels, shampoo, toothbrush, etc...)★ Power strip with a surge protector★ Laundry bag or basket★ Bedding for a Twin XL mattress, pillows, mattress pad (to make the bed a little more comfy)★ ID/Insurance Info/Immunization Records★ Snacks for studying★ Water pitcher & portable bottle★ Hamper/laundry bag (that you can carry up and down stairs)★ Winter clothes! (warm jackets, boots, hat, gloves/ mittens, and anything that will keep you from freezing)★ Cleaning supplies (soap, clorox wipes, Febreze, laundry detergent, etc.)	<ul style="list-style-type: none">★ Hanging lights that aren't LED★ Microwave and/or fridge (a "microfridge" is already in your room that includes a microwave and mini fridge (with freezer on top)★ Toasters/Hot Plates/Candles (any appliance that creates heat or flame is NOT permitted)★ Drugs/Alcohol/Weapons (this one is pretty obvious)★ Air conditioners★ Desk/chairs/dresser (furniture already in the room)★ Textbooks (will be rented to you)

It is very important to stay in touch with your roommate leading up to move-in and while living together! Good communication can solve many conflicts and often prevent issues altogether.

My email is **cathmann01@hamline.edu**

PLEASE reach out to me if you have any questions or just want to get in touch. I am very excited to meet you all and have an enjoyable semester!
