

# First-year

# New student checklist

---

## Before attending Summer Orientation and Registration (SOAR):

- Thoroughly review the registration materials provided with this checklist.
  - Register for a SOAR session at [hamline.edu/SOAR](https://hamline.edu/SOAR).
  - Log into the Canvas pre-orientation course and complete the Preparing for Registration module at [canvas.hamline.edu](https://canvas.hamline.edu).
  - Fill out the First-Year Student Registration Worksheet.
    - List your four or five preferred First-Year Seminar sections
    - Indicate whether you plan to take FYW 1110 or FYW 1120 this fall
    - Identify four or five options for major or elective courses
  - Log into Hamline Workday Student at [hamline.edu/Workday](https://hamline.edu/Workday), create and then submit your saved schedule for fall.

Note: Creating a saved schedule does not guarantee you a seat in the courses you selected. You will need to finalize your registration when you attend SOAR.
  - Right before attending SOAR, log into Hamline Workday Student to check space availability in the courses you chose and make any desired changes to your saved schedule.
  - Take the Language Placement Diagnostic at [hamline.edu/languageplacement](https://hamline.edu/languageplacement), if you plan to enroll in Chinese or Spanish classes.
  - If you want to receive credit for AP, IB, CLEP, PSEO, or CIS coursework, submit official transcripts to your admission counselor for evaluation.
  - Athletes, contact your coach about practice/game schedules so that you can avoid conflicts with classes.
-
