

Welcome Residents!

Hi! My name is **Vanessa Pham** [she/her] and I am honored to be your RA for the academic year of 2025-2026!

About Me

I am a Jr and double majoring in Economics and Business Analytics. In addition of being an RA, I am part of the Women's Tennis Team here at Hamline.

Some of my hobbies are:

- Volunteering at my church
- Watching shows
- Playing games
- Hanging out with friends

Don't be afraid to try new things, get out there and explore! There are tons of amazing clubs, events, and support here at Hamline. I totally recommend getting out there and meeting new people - that's how I met some amazing people here!
