

# Searching for Roommates Instructions – New Incoming Students: Fall 2026-2027

## General Information

- You must complete your Housing Application and Roommate Profile before you can create a Roommate Group or begin searching for roommates.
- If you want to select your own roommate, you must set up a Roommate Group by July 1, 2026.

## Tips on How to Set Up a Roommate Group

- **Designate an Owner:** Decide which one of you will be the creator (owner) of the Roommate Group. The owner does not need to be the student who submitted their deposit first – the housing system will use the earliest depositor in the roommate group for hall placement.
- **Email Addresses:** As the owner, make sure you know the exact email address your future roommate used when they filled out their eRezLife housing application.
- **Housing Applications Completed:** All Roommate Group members must have completed their own housing application.
- **All-Gender Roommate Groups:** If you want to live in an all-gender location, you will be able to select members for your Roommate Group whose gender identity is different from your own. If you have a mixed-gender Roommate Group, the system will assign you to rooms that are available in all-gender locations.

## Section 1 – How to Set up a Roommate Group with Someone You Know

From your dashboard, click on “Roommate Groups” on the left-hand side. The dashboard will display this page:

Click on “Create New Roommate Group.” A new page will appear, and you will need to create a name for your Roommate Group. Note: your Roommate Group name will be visible to staff members in the Office of Residential Life.

The screenshot shows the 'Roommate groups' dashboard. On the left is a navigation menu with 'Roommate groups' highlighted. The main content area has a header 'Roommate groups' and a sub-header 'Fall 2026 - Spring 2027'. Below the sub-header is a 'Create new roommate group' button, which is pointed to by a red arrow. Underneath is a table with columns 'My choice', 'Group name', and 'Applicants'. The table contains one row with a green checkmark in the 'My choice' column and 'No group' in the 'Group name' column.

My choice	Group name	Applicants
✓	No group	

The Roommate Group owner will see their name under “Members.” This person is the only person who can add/remove names. The number of roommates to add into your Roommate Group depends on the room type you are interested in.

If your Roommate Group is interested in a 4-person room (Quad), then you will need to list 3 names. If your roommate Group is interested in a 2-person room (Double), then there will only be 1 additional name listed.

Note: When you add your future roommate’s email address, make sure it is the same one they used when they filled out their eRezLife Application.

The screenshot shows the 'New roommate group' interface. On the left is a sidebar with navigation options: Applications & forms, Home, My profile, Financial statement, Housing, Housing overview, My meal plans, APPLICATIONS (Fall 2026 - Spring 2027, Spring 2026), My roommate profile, Roommate search, Roommate groups (highlighted), Contacts, Resources, and Help. The main form area is titled 'New roommate group' and includes a 'View all groups' button. The form fields are: 'Group name \*' with the value 'Roomies', 'Session' with the value 'Fall 2026 - Spring 2027', and 'Members (maximum allowed: 4)' with one member listed: 'Banegas, Jonathan Alejandro (owner)'. Below this, there is a section 'To add roommates to the group:' with instructions and a 'Search' button. There are three empty input fields for email addresses, numbered 2, 3, and 4. At the bottom of the form are 'Save' and 'Cancel' buttons.

When you add in your future roommate’s name and click “Save”, they will appear under the “Members” section.

Once the owner has added a member to the Roommate Group, an email will be sent to that member saying “You’ve been invited to join a roommate group!” The added member needs to log into eRezLife to choose the roommate group before they are in the group – it is not automatic!

If you get an email that says you have been invited to join a Roommate Group, log into eRezLife and click on “Roommate Groups”. Click on the unchecked button underneath “My Choice”, located next to the Roommate Group Name. After that, a green check will appear next to the invited person’s name. You can save and exit.

## Roommate profile

👤 🔍 🏠 🗨️

Please fill out the following profile information. This information will be used to help connect you with the possible roommates. Only those students who have completed an application form will be able to view this information.

Turn on my profile

This will make your profile viewable by other applicants. If you disable it, applicants will not be able to see you and you will not be able to see them. If you disable it, your contacts will still be able to view your profile.

What name would you like other applicants to see when viewing your public profile? \*

Jonathan Banegas

It's time to get creative. Give an elevator pitch about yourself. How would you describe yourself in one sentence?

Other applicants will be able to see this when they see a list of possible roommates.

Care to elaborate? Tell us more.

This text will be shown when applicants view your profile.

First, the applicant must “Turn on my profile” and fill out the required fields on their roommate profile. The required fields have a red asterisk next to them (\*)

Applicants can specify which available profile fields for searching they are comfortable sharing. “All applicants” means it will be available for anyone who is searching for roommates to see. “My contacts” is only viewable to other applications once you accept a contact request from them. “Private” is not seen by anyone but you.

Once you are finished editing your own profile, you are ready to access the “Roommate Search” and “Contacts” menus. Use the filters and search for potential roommates with similar habits. Click “search” when you are ready to see potential roommates.

Based on your filters, a list of contacts will appear on your dashboard in a section that says “Roommate search results”. For each result, you can send a contact request to get to know each other better. If it’s a great match, then click “Add to roommate group”, and you’re all set. If it’s not a great match, you can withdraw the contact request or block them and continue searching for more potential roommates.
