

# \* ALL ABOUT ME \*

HELLO! I AM

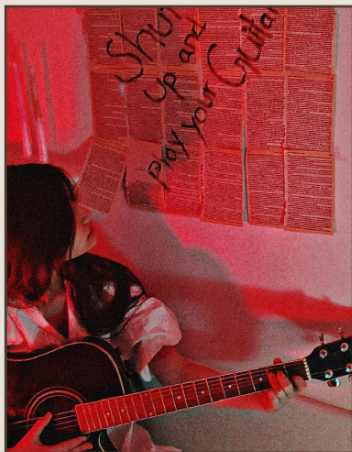

# SANAM MURADI

your **RA**, part community-builder, part problem-solver, part “please don’t set off the fire alarm at 2 AM” ambassador. I’m a **Physics major** at **Hamline** and also dual-enrolled at **Harvard**, which means I’m basically living in two academic timelines at once. If you see me staring into space, I’m probably just buffering.

HERE IS MY EMAIL IF YOU EVER NEED A SHOULDER TO CRY ON :)
