

*Hi everyone, I'm*

# Ian Fitzgerald

Hey everyone! I'm really looking forward to getting to know you all this upcoming school year. My name is Ian Fitzgerald (He/Him), and I'll be your RA for the 2026–2027 year. I'm currently a junior studying Criminology with a minor in Applied Psychology. I'm from the Twin Cities as well—specifically North Minneapolis.

## **ABOUT ME**

I enjoy hands-on hobbies like woodworking, where I can build and create things from scratch. Being outdoors is a big part of my life. I also like reading books and visiting museums to learn new things. These activities give me a good balance being active and relaxing.

Feel free to reach out to me anytime if you have questions, need support, or just want to talk. As your RA, I'm here to help make your experience as smooth and positive as possible.
