ABOUT ME

Hey everyone, I'm Vito, and I'm excited to be your RA this year. I'm a neuroscience major with an applied psychology minor, and I'm also on the pre-med track. This is my third year as an RA, and I really care about creating a community that feels welcoming, supportive, and comfortable for everyone. 

A LITTLE MORE ABOUT ME

I'm originally from Richmond, Virginia. Outside of school and work, I enjoy spending time with people, going to events, and staying involved on campus. I also work with Hamline Public Safety, which has taught me a lot about responsibility, communication, and being there for others.

WELCOME MESSAGE

Some of the best parts of college come from putting yourself out there and meeting new people. I'm here to support you, answer questions, and help make the year go smoothly. Please feel free to reach out any time, whether you need help or just want to talk.
