## TEFL CERTIFICATE

**Experience another culture** while living and working overseas. Hamline's Teaching English as a Foreign Language (TEFL) Certificate has been preparing individuals to become effective teachers of English as a foreign language in other countries for more than 20 years.

Whether you have little to no teaching experience or have already made a career in the classroom, this program provides you with what you need to join our graduates, who have taught in more than 40 countries worldwide!

### With a TEFL Certificate from Hamline, you will:

- Learn the teaching techniques you need to function effectively in an English as a foreign language classroom from internationally-recognized faculty.
- Gain hands-on experience through 40 hours of teaching and observation in a classroom with English learners.
- Earn an internationally-recognized certificate that follows rigorous international standards that reputable employers expect and respect.

**“After receiving my Hamline TEFL Certificate, I got a job teaching conversational English to Korean high school students in a small coastal Korean city. Hamline’s TEFL program gave me a wealth of knowledge and experience to draw upon everyday. I found the experience invaluable not only as a teacher, but also as a language learner.”**

—ISAAC MUSCANTO, '12 TEFL Certificate, English teacher, English Program in Korea, Gangwondo, South Korea
