## This month...

...features the results from BCSSE, the Beginning College Survey of Student Engagement. The entering First-Year class took the survey prior to the first meeting of the First-Year seminar class, resulting in 492 completed paper surveys.

### During the coming school year, how often do you expect to have discussions with people from the following groups...

*%Often/Very Often*

91% of students indicated that Hamline was their first or second choice, and 69% of students indicated that none of their close friends would be attending Hamline.

*This doesn't count as finding me!*

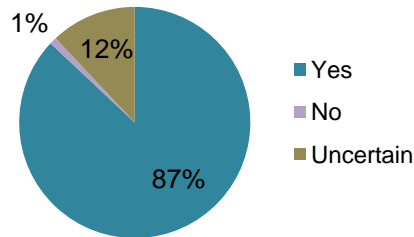

90% of the 2014 entering first year class attended a public high school.

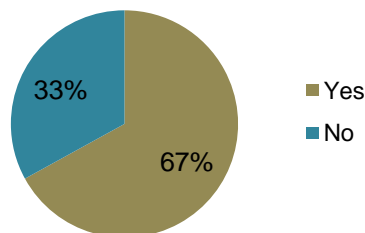

50% of students reported receiving mostly A's in high school, while 47% received mostly B's.

57% of students took 1-4 Advanced Placement classes.

### Do you expect to graduate from this institution?

### Do you know what your major will be?
