Hot off the Press

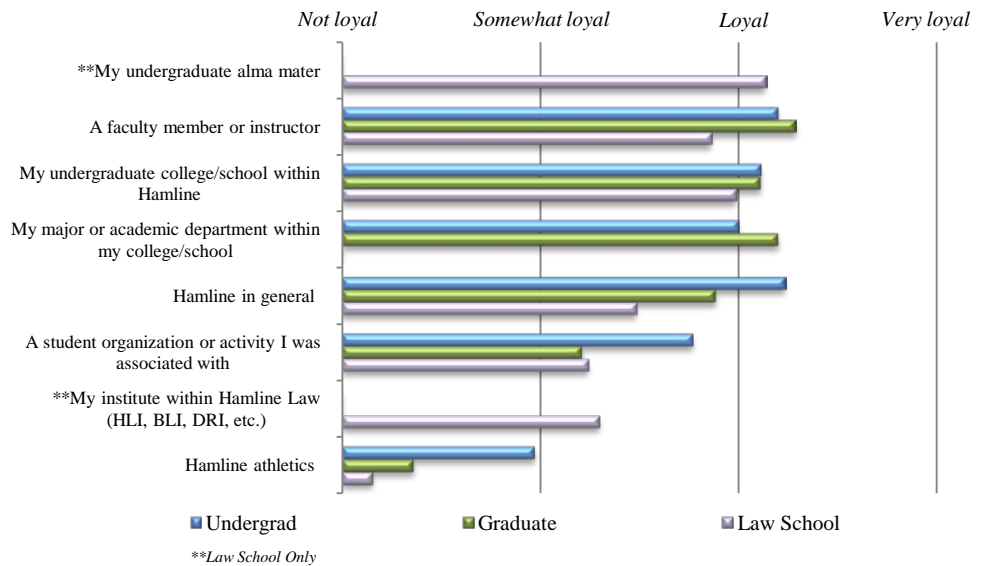

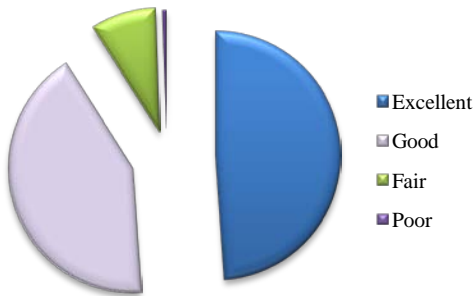

Hamline has partnered with PEG, a research service that has conducted an Alumni Attitude Study for undergrad, grad and law students this year. Hamline's results are compared to alumni from comparable institutions. All figures presented here are from this study. For more information about the study and additional results, please contact Betsy Radtke in Alumni Relations at bradtke@hamline.edu.

Student Experience At Hamline

Alumni feedback is not a one-time event, but rather an ongoing process of measurement, action, and re-measurement

Please indicate how much each of the following impacts your overall opinion of Hamline:
Percentage of respondents who chose top two choices

60% of respondents obtained an undergraduate degree from Hamline. 65% of respondents reside in-state, 33% reside out-of-state, and 2% reside outside of the US. Of the respondents, 44% are donors.
