

WHAT CAN I DO

WITH A MAJOR IN . . .

BIOLOGY

What fields and careers could I pursue?

Graduates have gone into a variety of fields, including:

- Medical Research
- Regulatory Affairs
- Teaching
- Medicine
- Biomedical Sciences
- Pharmacy
- Medical Technology
- Intellectual Property Law
- Scientific Journalism
- Veterinary Medicine
- Applied Research
- Physical Therapy
- Allied Health
- Bioinformatics
- Clinical Research
- Pharmaceutical Sales
- Health Care Administration
- Public Health
- Pharmaceutical Research and Development

Here are some careers to consider, but there are MANY MORE!

- Agronomist
- Animal Scientist
- Dentist
- Optometrist
- Nutritionist
- Zoologist
- Physician
- Wildlife Biologist
- Oceanographer
- Environmental Engineer
- Forester
- Ecologist
- Neurobiologist
- Physical Therapist
- Nurse Practitioner
- College Instructor
- Science Journalist

What kinds of internships could I seek?

The possibilities are endless - make an appointment with our Internship Program Coordinator to learn more and plan for your own experience!

- Physician Intern, Allina Medical Clinic
- HIV/AIDS Education Assistant, American Red Cross-St. Paul
- Tech Intern, Anoka Equine Veterinary Services Ltd.
- Patient Educator, Cedar Riverside People's Center Clinic
- Genetic Counseling Intern, CentraCare Women and Children
- Education Intern, Como Park Zoo and Conservatory
- Sports Medicine Assistant, Hamline University
- Collaborative Research—T-lymphocyte Proliferation, Hamline University
