Further, each category is deliberately broad and does not capture specific grant program requirements. For example, pursuant to Section 18004(c) of the CARES Act, the Section 18004(a)(1) Institutional Portion funds may only be used "to cover any costs associated with significant changes to the delivery of instruction due to the coronavirus..." and any applicable categories in the chart must meet this requirement. Please refer to the applicable Certification and Agreement and the Department's HEERF FAQs for more information available on our HEERF website here: <https://www2.ed.gov/about/offices/list/ope/caresact.html>.

³ To support any element of the cost of attendance (as defined under Section 472 of the Higher Education Act of 1965, as amended) per the Interim Final Rule published in the Federal Register June 17, 2020 (85 FR 36494). Community Colleges in California, all public institutions in Washington State, and all institutions in Massachusetts have different requirements due to recent U.S. District Court actions. Please discuss with legal counsel. HEERF litigation updates can be found here: <https://www2.ed.gov/about/offices/list/ope/heerfupdates.html>.
