

Hamline University Housing Residents,

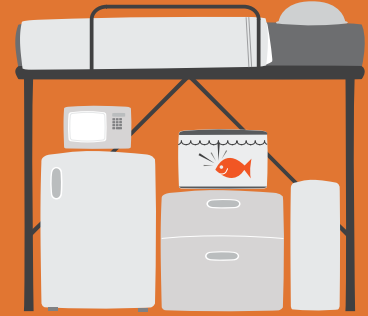

Now's the time to pre-order your amenities from Bedloft.com for the 2020-21 academic year! Orders need to be placed by **August 13, 2020** to guarantee product availability and set-up in your room before the University's official move-in day. Orders placed after this date will increase in price and delivery may be delayed into the first or second week of classes.

What are your options to have your furniture set-up in your room?
